Credit Total: 121 hours (minimum 120 required for degree)

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency

College/ Program Notes: If the CLASS Foreign Language Requirement was fulfilled in High School, the eight (8) university credits listed here must still be taken in any subject in order to reach the 120 total credit hours required for the degree.

For Black Studies core course listings in **Sections A, B, and C** refer to course catalog.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
