Fourth Year

Fall Semester	Credits	Major	Gen Ed	Spring Semester	Credits	Major	Gen Ed
PHY 474 Thermal Physics	4	X	CAP	PHY Elective (300/400 Level)**	4	X	
Field Elective (300/400 Level)**	4	X		Field Elective (300/400 Level)**	4	X	
PHY Elective (300/400 Level)**	4	X		Field Elective (300/400 Level)**	4	X	
General Elective*	3 to 4			Upper Division Elective*	3 to 4		
Semester Total	15 to 16			Semester Total	15 to 16		
Degree Total: 117-131 (128 hours minimum)							

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency

College/ Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 128 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made (3 credit hour vs. 4 credit hour courses), students may not need as many general electives as indicated above, or may need additional electives.

** Physics majors must complete 16 credits of 300/400-level PHY courses **AND** 16 credits of 300/400-level courses from a coherent program in a different discipline such as biology, chemistry, computer science, mathematics, environmental science, education or engineering. Of these 32 total credits, **4 MUST** be a 300/400-level lab course.

University Notes:

Gen Ed Key:	
INTRO = Introduction to University Life (one course)	SS = Social Sciences (two courses, one of which must be focused outside the US**)
W/C = Writing/Composition (two courses; C or better required)	A&H = Arts & Humanities (two courses, one must be focused outside the US**)
M/QL = Mathematics/Quantitative Literacy (two courses)	DIV = Social Diversity (two courses; one US Diversity and one African American Experience)
NS = Natural Sciences (two courses, one of which must have a lab)	WAC/SPAC = Writing/Speaking Across the Curriculum (three courses, one in the major; C or better required)
	CAP = Capstone
	** of the SS and A&H courses focused outside the US, one must be focused on Africa, Latin America, Asia or the Middle East (ALAAME)
