## College/ Program Notes

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.
*Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a minimum of $\mathbf{1 2 0}$ total credit hours, of which a minimum of $\mathbf{4 2}$ credit hours must be upper division ( 300 or 400 -level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
** One of the CHM ( $300 / 400$ level electives MUST also be an approved WAC course in order to satisfy the WAC-in-major requirement.

## University Notes:

| Gen Ed Key: | SS = Social Sciences (two courses, one of which must be focused outside the US**) |

| INTRO = Introduction to University Life (one course) | A\&H = Arts \& Humanities (two courses, one must be focused outside the US**) |
| W/C = Writing/Composition (two courses; C or better required) | DIV = Social Diversity (two courses; one US Diversity and one African American Experience) |
| M/QL = Mathematics/Quantitative Literacy (two courses) | WAC/SPAC = Writing/Speaking Across the Curriculum (three courses, one in the major; Cor better required) |
| NS = Natural Sciences (two courses, one of which must have a lab) | CAP = Capstone |

M/QL = Mathematics/Quantitative Literacy (two courses)
** of the SS and A\&H courses focused outside the US, one must be focused on Africa, Latin America, Asia or the Middle East (ALAAME)
