**Degree Total:** 120 hours minimum

---

**Assumptions:** college-level readiness in MTH & ENG; no Foreign Language Deficiency

**College/Program Notes:**

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a minimum of 120 total credit hours, of which a minimum of 36 credit hours must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

**University Notes:**

- INTRO = Introduction to University Life Requirement (one course)
- SS = Social Sciences (two courses from different departments**)
- W/C = Writing/Composition Requirement (two courses; C or better required)
- M/QL = Mathematics/Quantitative Literacy Requirement (two courses)
- NS = Natural Sciences (two courses, one of which must have a lab)
- A&H = Arts & Humanities (two courses from different departments**)
- DIV = Social Diversity Requirement (2 courses; one US Diversity and one African American Exp.)
- WAC/SPAC = Writing/Speaking Across the Curriculum Requirement (3 courses, one in the major)
- CAP = Capstone Requirement

** of the four total SS and A&H courses, one must be focused on Africa, Latin America, Asia or the Middle East (AALAME)
