College/ Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives. †The Art History requirement for Studio Art and Design students is three courses including one that carries WAC or SPAC credit. Art 250, 252, 253, 281, 286, 341, and 388 count towards this requirement but do not carry WAC or SPAC credit. Most other 300-level Art History courses, Art 492, and Art 495 do carry WAC or SPAC credit. ***If college and University Foreign Language requirements are complete, substitute with General Elective. ★ Art 211, 221, 231, and 232 are required for Studio Art students. ★★ Students are encouraged to meet with their major advisor to review Studio Art elective options. Studio Art electives must be spread over at least two different areas (Ceramics, Digital Art and Technology, Drawing, Painting, Photography, Printmaking, Sculpture, and Other).

University Notes:
