The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

Students must have a **minimum of 121 total credit hours**, of which a **minimum of 24 credit hours** must be upper division (300 or 400-level courses).
