<i>Credit Total: 130 (minimum 120 required for degree)</i>								

Assumptions: All students seeking a B. Mus. degree must complete two approved foreign culture courses or two courses in a foreign language beyond the state entrance requirement. College-level readiness in MTH and ENG is also expected.

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the W/C requirements should be completed during the first year of study, and the M/QL requirements should be completed during the first two years of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a minimum of 120 total credit hours, of which a minimum of 42 credit hours must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

***Students must register for MUS 120 every semester until the requirement of 6 semesters has been met.

Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have **minimum of 120 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives. Performance majors in voice are required to take German and French. With departmental permission, Italian may be substituted for French.

***Students must register for MUS 120 every semester until the requirement of 6 semesters has been met.
