Assumption: University Requirement of Foreign Language has been met: two (2) years of same language in high school; or two (2) semesters of same language in college; or passing of language placement test in reading, writing, and speaking of a second language other than English.

College/Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of General Education courses, although the M/QL and W/C requirements should be completed during the first year of study. General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above or may need additional electives. For information about declaring a Math Minor with the courses you already need for the DS major, email: impt.engr.info@csuohio.edu

University Notes:

General Education Key + Notes	
General Ed. courses can be taken in any order except ESC 282 (Engineering Economy) after MTH 182 (Calculus II) as well as PHL 215 (Engineering Ethics after ESC 102 /ENG 102 (Tech. Writing/College Writing II.))	
INTRO = Introduction to University Life Requirement (one course)	SS = Social Sciences Requirement (2 courses, one of which must be focused outside the US)
W/C = Writing/Composition Requirement (two courses; C or better required)	A&H = Arts & Humanities Requirement (2 courses, one must be focused outside the US)
M = Mathematics Requirement (minimum two courses required, each C or better)	DIV = Social Diversity Requirement (2 courses; one US Diversity and one African American Experience)
NS = Natural Sciences (minimum two courses, one of which must have a lab – NS&LAB)	WAC/SPAC = Writing/Speaking Across the Curriculum Requirement (3 courses, one in the major)
ESC 100 = waived for transfer students enrolling with more than 60 credit hours	CAP = Capstone Requirement
* Introduction to Co-op Orientation is highly recommended, yet not required	** of the SS and A&H courses focused outside the US, 1 must be focused on Africa, Latin America, Asia or the Middle East (ALAAME)
