Credit Total: 121 (minimum 120 required for degree)								

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency

College/ Program Notes:

^ANT 153 satisfies SS (ALAAME) while AST/HIS 175 satisfies A&H (ALAAME). Depending on which is selected, students must use the "SS or A&H Elective" to ensure 2 total A&H or SS courses.

^^See the Undergraduate Catalog or Degree Audit for course options for AST Sections C, D, E and F; sections can be completed in any order

Due to the sequence of courses in the major, it is strongly advised students work closely with an advisor to ensure efficiency.

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 42 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
