Degree Total: 120 hours minimum

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency

College/ Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 36 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

Gen Ed Key:	SS = Social Sciences Requirement (2 courses, one of which must be focused outside the US**) A&H = Arts & Humanities Requirement (2 courses, one must be focused outside the US**) DIV = Social Diversity Requirement (2 courses; one US Diversity and one African American Exp.)
