**College/ Program Notes:**

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

\*Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 36 credit hours** must be upper division (300 or 400-level courses). Depending upon elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

^^Additional 9 hours of PSY+CRM electives required for the major. **This degree map assumes that all PSY+CRM electives are 300/400-level courses.**
