**College/ Program Notes:**

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

\*General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a **minimum of 120 total credit hours**, of which a **minimum of 36 credit hours** must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

**University Notes:**

<p><b>Gen Ed Key:</b> INTRO = Introduction to University Life Requirement (one course) W/C = Writing/Composition Requirement (two courses; C or better required) M/QL = Mathematics/Quantitative Literacy Requirement (two courses) NS = Natural Sciences (two courses, one of which must have a lab) ** of the four total SS and A&amp;H courses, one must be focused on Africa, Latin America, Asia or the Middle East (ALAAME)</p>	<p>SS = Social Sciences (two courses from different departments)** A&amp;H = Arts &amp; Humanities (two courses from different departments)** DIV = Social Diversity Requirement (2 courses; one US Diversity and one African American Exp.) WAC/SPAC = Writing/Speaking Across the Curriculum Requirement (3 courses, one in the major) CAP = Capstone Requirement</p>
