Degree Requirements: 120 Credit Hours & required coursework

Fall 2025 – Spring 2026: Bachelor of Business Administration Degree – Business Analytics Major Requirements

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency. **College/Program Notes:** Bachelor of Business Administration students are required to complete 120 hours of course work that includes university, college, and major requirements. Adhering to the recommended sequence outlined in this document provides a balanced workload and ensures that students will have the proper prerequisites and knowledge for maximum benefit of the courses required for this program.

BBA Degree Academic Grade Requirements: A minimum of a final grade of C or higher is required for the following courses: ENG 100/101, ENG 102, ACT 221, ACT 222, MTH 148 or MTH 167, BUS 201, GAD 250, BLW 411 & MGT 465 or the courses must be repeated. + Courses BUS 201 and OSM 202 cannot be substituted with other courses. *Preference is completion of MTH 148

Major Requirements: All Information Systems courses at the 300 level and the 400 level require a final grade of “C” or higher or the course must be repeated. The plan above is an enrollment guideline that follows the required College of Business academic guidelines. Also, the plan ensures all Inquiry Core Curriculum, College, University, and Major requirements are met within 4 years of study. General Electives ensure that a student accumulates the minimum credit hour totals needed for graduation. Students must have a minimum of 120 total credit hours, of which a minimum of 42 credit hours must be upper division (300 or 400-level courses). Depending upon other elective choices made, students may not need as many general electives as indicated above or may need additional electives.
