College/ Program Notes:

The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

* The Analytical Geometry and Calculus sequence (MTH 181-182) may be substituted for the Mathematics for Business Majors sequence (MTH 148-149).

** Before choosing electives, students should consult an advisor.

Bachelor of Business Administration students are required to complete 128 hours of course work that includes university, college and major requirements. Adhering to the recommended sequence outlined below provides a balanced workload and ensures that students will have the proper prerequisites and knowledge for maximum benefit of these courses. A minimum grade of "C" or higher is required in all courses required for the International Business Major. International Business Major required courses in which a grade below "C" was earned must be repeated.
